

Produce Show 2025

The produce show was held on August 30th.

We had 192 entries up from 151 in 2024, there has been a steady increase since re-introducing the show after Covid.

Vegetables was the most popular category attracting 62 entries. 43 entries in the various flower classes along with strong numbers in baked produce. Unfortunately, there were no entries in any of the children's classes

The raffle, auction along with refreshments were again popular

Due to the low overheads aided by our volunteers and excellent judges we were able to donate £100 to both our churches, village hall and Roundabout magazine.

This year's show will be on Saturday August 22nd we hope to see even more entries and an increase in the number of participants.

We could do with a couple more helpers both on the day and setting up the hall on the day before

As a certain Mr Donald Trump who is a keen carrot grower would say "Thank you for your attention on this matter"
