

The produce show was held on Saturday 26th August after a three year break brought about by covid.

Participation was down on previous years but we are confident that this year will be better supported. To help facilitate this the requirements for exhibits have been slightly amended hopefully to tempt more exhibitors, an example of this is to reduce the number of samples in the fruit and veg typically down from 6 to 4.

We did have some one off costs totalling £130 which affected the final balance, however we made an additional £131 leaving us with £769 in the bank

We have also extended the invitation to take part to residents of Wallow Lane that fall just outside the parish boundary

Compared to last year there will be additional advertising on social media together with roundabout, posters, flyers etc.

Thanks go out to the judges, helpers and to local businesses who donated raffle prizes. This year's show is on Saturday 7th September we look forward to seeing you all there
