

Nedging with Naughton Village Hall Report

September 2025

We held a meeting in August.

There have been no events since the BBQ. The next event is on Friday which is the play performed by The Handlebards. There will be a Traitors night on 11th October and a Dance on 25th October.

The Community playback scheme have been a few times to the Hall over the summer. They are concentrating on the Wood at the back of the field and have cleared about half of the undergrowth under the trees. We have plenty of work for them to do so this is an ongoing scheme and they will be returning during the autumn and winter to carry out more work for us. The plans for a hard standing are still in place. It will be looked at during the autumn.

Keep Fit, Tai Chi and the Art class continue to run. BATS will be starting rehearsals for their Panto in the hall next week.
