

Nedging with Naughton Village Hall and Community Council

May 2026

We held our AGM in March. I stepped down as Chair and Liz O'Connell was elected in my place.

We have held two events both in April. The Phil Ball Band came and played for us. They were excellent, everyone was up dancing. Just a shame the numbers were down on the last one. We also held a Jumble sale. The turnout for this again was not as good as the one held two years ago but we plan to hold another later in the year as we still have plenty left to sell.

The Community Payback Scheme are still sending us workers to help keep the field under control and are doing a good job. We have planted more fruit trees.

We still have some repairs to do to the hall. We are waiting for quotes for the floor and the outside wall. The gate post will shortly be replaced. The disabled car park and putting up an outside rail are two other jobs that we would like to carry out. We had to have part of the heating unit replaced and this was expensive.

Our next event will be the BBQ on 5th July and we also have a quiz planned for 18th July.
