

# Nedging with Naughton Village Hall Report

## January 2026

Our last Meeting was in October. We discussed events for the next few months. . Our next meeting will be on Thursday.

Our next event will be a beetle drive on 31<sup>st</sup> January and we are holding a Jumble Sale in April.

We have still to replace the gate which came down last autumn. The post will be replaced shortly so the gate can be re hung.

The wall at the back of the hall still needs to be replastered.

We have still not completed the disabled parking space.

All of the above will be our priorities for this year.

We would also like to replace the kitchen.

The community payback scheme workers will be back at the end of the month to continue with the work on the outside areas at the hall. There have been a couple of BINGO sessions held and another to be held in February.

Keep Fit, Tai Chi and the Art class continue to run. The coffee caravan will be at the hall the last 3 Mondays of January, February and March and then will return next October.

Our AGM will be on the 26<sup>th</sup> March.

Sheila Goodman  
Chair.
