

Nedging with Naughton Village Hall Report  
January 2025

Our last event was the Christmas quiz.

The numbers attending our events have dropped. We have definitely seen a decline in numbers over the past two years. We have tried to introduce some different events but this has not made a difference. We have had to cancel a couple of events over the past year. There are a few events planned for this year. Firstly, we are holding a beetle drive on Saturday. The following event will be a Traitors game night to be held in March.

The Coffee Caravan will be visiting the hall again in January, February and March

We have retained our three weekly hires. BATS who hired the hall for 4 months have now stopped but said that would they like to come next year and use the hall for their rehearsals.

Our AGM is planned for 27<sup>th</sup> March. The committee needs more support from the village. We will be looking for another Trustee as one has stepped down. As it stands, we are struggling to get support from residents attending events and help with organising fund-raising events.

We also need a clerk to held with administration – taking minutes etc.

Our next meeting will be in February.
