

Nedging with Naughton Village Hall Report

July 2026

We held our BBQ on 9th July. Attendance was low compared to other years. But it seems everyone who came had a good time. The weather was warm and dry which is always a bonus.

Our next event is on Saturday – a summer quiz with Chilli supper.

We are holding another Jumble Sale in September.

The community Payback team are still visiting on Sundays.

There is still some work to do at the village hall which has previously been mentioned.

The hall continues to be used for family parties and regular events.

The Produce show will be held at the hall on 22nd August.
