

## Nedging with Naughton Village Hall Report

### July 2025

We held a meeting in early June. We discussed the coming events, BBQ, The play, and the dance. We also discussed the work being carried out by the Community payback scheme. So far, they have cleared around the hall and cleared brambles and weeds from the concrete behind the hall. This is an ongoing scheme and they will be returning during the summer to carry out more work for us. We are still planning to have a hard standing for disabled parking and trying to get funding for this. Our next meeting will be in August.

The BBQ was held at the end of June. We had a very warm dry day for the event. The Boule tournament held after we had eaten. Two teams competing against one another and was a lot of fun. It was a good introduction to the game.

Our next event will be the visit from the Handlebards on the 12<sup>th</sup> September to perform 'Much Ado About Nothing'. Tickets are on sale now from us and directly from the Handlebards web site. We will be having a pay bar and BBQ as last year.

The Produce Show will be using the hall again this year on 30<sup>th</sup> August.

Keep Fit, Tai Chi and the Art class continue to run.
